Yes, they have backyards AND rooftop decks + this is the last remaining home + it is an end unit! Incredible new townhome in the red hot West Colfax neighborhood. Every detail has been meticulously thought through for this design and features an open floor plan with solid white oak flooring on the main level, custom cabinets from Earthwoods, quartz counters, KitchenAid stainless steel appliances, custom tile and lighting selections, hand-troweled walls, tankless water heater, black on black Andersen windows, and more. The large primary suite features a dramatic vaulted ceiling and a private en-suite 4-piece master bathroom with walk-in closet. Secondary bedroom is a mini-suite with private en-suite bathroom. All 7 homes are street-facing allowing each home to have a private backyard. The 3rd level has an open loft perfect for a den, office, gym, or even guest room. The private rooftop decks have wonderful mountain views. Live walking distance to all the new shops and restaurants in ...
